**Federation of State Board of Physical Therapy & Physical Therapy Association of Georgia:**

During the June 17, 2003 conference call meeting, the Board voted to invite the Federation of State Boards of Physical Therapy and the Physical Therapy Association of Georgia to discuss the Board's concern with the National Physical Therapy Examination test plan and the pass/fail rates.

Ms. Stefanie Palma, President of the Physical Therapy Association of Georgia voiced the following concerns; Ms. Deborah Tharpe from the Federation of State Boards of Physical Therapy responded to each issue:

**Concern:** Low return rate on job analysis survey; taking out content areas.

**Response:** based on outside job analysis; mobs and manipulation were separated out as far as survey; survey was repeated due to poor response rate; surveyed included graduates within the last 5 year; 2<sup>nd</sup> response was low but psychometricians verified sample size was sufficient; as a result manipulation was dropped from the blueprint.

**Discussion:** analysis survey should ask - were they taught "that skill" in school versus how critical is "that skill"?

**Concern:** Increase fee schedule for exam, what is justification for increase?

**Response:** - partly due to Internet cheating (Tharpe); number registering for the exam (Hightower)

**Concern:** Continuing competency should be determined at the state level not by FSBPT.

**Response:** FSBPT agrees that continuing competency should be administered as the state level; FSBPT feels that entry-level competence should be determined by individual boards, higher level by profession; problem is that complaints that come before the board don't only relate to entry level competent. One thing being discussed is some type of self- assessment or case study to be done periodically; these are only in discussion phase and would be optional for Boards use.

**Concern:** Past by-laws regarding leadership of FSBPT -requirement that they must be currently serving Board members.

**Response:** Not a by-law change; always been "current or former" Board member; 2 term limit -term = 3 years

**Question (Willis):** What is status of Veterinary PT?

**Response:** Being discussed in terms of collaborative practice; FSBPT recommends involvement with vets.

**Question (Willis):** concerned about FCCPT evaluation of applicants.

**Response:** Will be a session at next FSBPT meeting; coursework evaluation for credentials.

**Comments (Tharpe):** FSBPT is aware of testing center complaint; will follow up with QA visits, etc.

**ATTORNEY GENERAL'S REPORT:**

**PT030034:** Ms. Willis moved and Ms. Eskew Capps seconded and the Board voted to not accept the Private Order.
